Re: Randy Soto v. Walsh  
08 Civ. 5283 (GEL)

Your Honor:

I have been assigned to respond to the above-referenced petition for a writ of *habeas corpus*. Pursuant to Your Honor's Order filed on July 9, 2008, respondent's answer is due on September 5, 2008. I am, however, writing to request a three-month extension to file a response.

Since being assigned this case, I have filed responses to two direct appeals to the Appellate Division, First Department: People v. Pablo Lacayo and People v. Randy Miles. I am currently working on responses for three additional direct appeals to the Appellate Division, First Department: People v. Samuel Lewis, People v. Sal Merante, and People v. Troy Logan. I am also working on a response to a *coram nobis* to the Appellate Division, First Department, People v. Phillip Frieson.

The file's length, the case's complexity, my other assignments, and the fact that I am getting married in October, and will be out of the office from October 6, 2008 through October 24, 2008, result in this request for an extension of time.

Therefore, I respectfully request an extension of ninety-one (91) days from the ordered reply date of Friday, September 5, 2008, to Friday, December 5, 2008, to fully answer the petition.

\*Granted, but there will be no further extensions.

\*SO ORDERED

*Gerard E. Lynch*

GERARD E. LYNCH, U.S.D.J.

*8/18/08*

No previous extensions have been sought or obtained for responding to the petition, and I have neither sought nor obtained the consent of my incarcerated adversary for this extension.

Thank you for your consideration in this matter.

Respectfully,

  
**NIKKI D. FALDMAN**  
Assistant District Attorney
